WHO WE ARE

Granite GRC Consulting is a full-service governance, risk and compliance consulting firm providing trusted advice and support to organizations striving to maximize resources while managing risk.

We enhance your revenues, efficiencies and reputation through delivering creative, practical and strategic solutions to your most pressing challenges. By working

within your priorities and focusing our efforts where they bring the most value, we efficiently fine tune your operations while effectively helping you to avoid surprises by obtaining complete, reliable information that supports your strategic and day-to-day decisions. Working together, we produce consistently great results for you, your customers and your colleagues, while raising and protecting your profitability and bottom line.

Our Board And Management Advisory Services

The best board advisors are experienced professionals who have been board members themselves. Our team works with board members and executive leadership to manage and better ensure effective information flow, critical decision-making, and well-honed board and executive oversight. With actionable insights and solutions, we help you to maintain sustainable success for your organization.

As an organization focused on insightful, sound performance, we provide:

- Board and executive coaching and mentoring
- Best governance practices, policies and processes
- Enterprise risk management strategies and execution
- Compliance, privacy, and information management structures and programs
- Communication strategies and programs
- Auditing and monitoring strategies and programs
- Internal investigations and analyses
- Litigation support, including agency and shareholder inquiries and actions
- Interim and consulting risk, compliance, information privacy and cyber security officers
