

INTERNATIONAL BUSINESS COMPLIANCE

WHO WE ARE

Granite GRC Consulting is a full-service governance, risk and compliance consulting firm providing trusted advice and support to organizations striving to maximize resources while managing risk.

We enhance your revenues, efficiencies and reputation through delivering creative, practical and strategic solutions to your most pressing challenges. By working

within your priorities and focusing our efforts where they bring the most value, we efficiently fine tune your operations while effectively helping you to avoid surprises by obtaining complete, reliable information that supports your strategic and day-to-day decisions. Working together, we produce consistently great results for you, your customers and your colleagues, while raising and protecting your profitability and bottom line.

Our International Business Compliance Services

Insight and skill into maintaining compliance in countries around the world comes only with experience. Some of the most common and challenging hurdles involve navigating the anti-corruption and information privacy challenges associated with doing business internationally. Granite GRC's professionals have guided and assisted businesses across six of the world's seven continents for more than a decade, supporting their efforts to successfully manage their businesses on global scales.

As an organization focused on success in international business, we provide:

- Organizational systems and transactions assessments, testing and analyses
- Controls and program design, effectiveness analyses and benchmarking
- Mock agency audits and evaluations
- Third party risk evaluation and management
- Policies, procedures, and processes
- Education and training materials and programs
- Auditing and monitoring techniques and execution
- Internal investigations and analyses
- Interim and consulting compliance and privacy officers
