

# TRANSACTION EVALUATION AND FACILITATION

## WHO WE ARE

**Granite GRC Consulting** is a full-service governance, risk and compliance consulting firm providing trusted advice and support to organizations striving to maximize resources while managing risk.

We enhance your revenues, efficiencies and reputation through delivering creative, practical and strategic solutions to your most pressing challenges. By working

within your priorities and focusing our efforts where they bring the most value, we efficiently fine tune your operations while effectively helping you to avoid surprises by obtaining complete, reliable information that supports your strategic and day-to-day decisions. Working together, we produce consistently great results for you, your customers and your colleagues, while raising and protecting your profitability and bottom line.

## Our Transaction Evaluation and Facilitation Services

Identify and achieve measurable synergies and savings with thoughtful planning and efficient execution. Granite GRC helps transaction parties identify issues and better understand the basis and integrity of the data going into their financial calculations. We also assist with key operational issues, such as compliance, information privacy and cyber security, all of which are critical for past and future business performance. No business is perfect, but with Granite GRC's guidance, parties can better understand their transactions, leading to improved deals and better outcomes.

As an organization focused on accurate, efficient and effective transaction evaluation and facilitation, we provide:

- Sell side consultation and transaction preparation, including risk-based compliance, privacy and cyber security assessments, analyses and improvement
- Buy side diligence planning and execution, including risk-based compliance, privacy and cyber security due diligence activities
- Post-closing follow-up, integration and improvement of compliance, privacy and cyber security activities, functions and programs
